

# ARE YOU A LIVESTOCK OPERATOR IN ONE OF THE FOLLOWING COUNTIES?

**Are you interested in  
converting degraded  
cropland into pasture?  
Sequestering carbon?  
Preventing nutrient runoff?  
Improving pollinator habitat  
on your farm?**

Please contact Kristen Irvin  
([kirvin@farmland.org](mailto:kirvin@farmland.org)) to make sure  
you're notified about financial and  
technical assistance opportunities

American Farmland Trust has partnered with USDA-NRCS to increase the adoption of regenerative agriculture practices on western New England livestock farms through technical and financial assistance opportunities beginning later this year
